DATE OF INFORMATION [redacted]

THIS IS UNEVALUATED INFORMATION

50X1

50X1

1. [redacted] vehicles were not loaned between units. [redacted] only a small number of transport vehicles which were assigned to a unit, namely headquarters transport vehicles, were actually used for supply purposes; the majority of training and line vehicles were in garages or on blocks most of the time. If a unit did not have sufficient vehicles for transporting supplies, it could always use its training or line vehicles.
